

Electrical Signaling

Electrical protective signaling systems are configurations of components used to produce alarm signals indicative of fire, smoke, sprinkler waterflow or other emergency and to produce supervisory signals indicative of conditions needing attention with respect to protection equipment or watch service. System configurations are classified according to where and how the signals are received. The categories are commonly designated as local, municipal, remote station, proprietary, emergency voice/alarm communication, emergency communication, and central station. Auxiliary systems are either local or proprietary systems interconnected with a municipal system.

This category presents the major system component categories and the integrated system configurations. The selection of components to form a hybrid system should be made only by those skilled in system design. Also, the suitability of any system application should be judged on the basis of the hazard(s) being protected.

System Accessories

A fire alarm system accessory is a device used to supplement a system control or device as indicated by the installation wiring diagram pertaining to its application.

TRW and TR Series

TRW-MONITOR	Monitor Module	PR460220
TRW-RELAY	Relay Module	PR460220
TR-CONTROL	Intelligent Control Module	PR460220
TR-CONTROL-6	Intelligent Multi-Control Module	PR460220
TR-ISO	Isolator Modules	PR460220
TR-MINIMON	Intelligent Mini-Monitor Module	PR460220
TR-MONITOR-10	Intelligent Multi-Monitor Module	PR460220
TR-MONITOR	Intelligent Monitor Module	PR460220
TR-MONITOR-2	Intelligent Dual Monitor Module	PR460220
TR-RELAY-6	Intelligent Multi-Relay Module	PR460220
TR-RELAYMON-2	Intelligent Multi module with 2 relay outputs & 2 monitor inputs	PR460220
TR-ZONE	Intelligent Zone Module	PR460220
TR-ZONE-6	Intelligent Multi-Zone Interface Module	PR460220
TR-RELAY	Intelligent Relay Module	PR460220

Company Name:	TRIGA Life Safety Systems LLC
Company Address:	7600 Olde Eight Rd, Hudson, Ohio 44326, USA
Company Website:	Not Available
New/Updated Product Listing:	Yes
Listing Country:	United States of America
Certification Type:	FM Approved
